

CHRISTINA LAKE
CANNABIS CORP

Christina Lake Cannabis Corp is a leading Canadian outdoor cannabis cultivator and processor.

About Us

Since 2020, we have operated a licenced cultivation, processing and research and development facility. CLC cultivates cannabis using strains specifically developed for outdoor cultivation, and countless centuries of combined experience have gone into fine-tuning the strains that we grow today. What makes our product naturally exceptional? Our location allows for an extended growing season, consistent breezes from the southern-facing valley, low precipitation and ample sunshine.

We're looking for **Extraction and Winterization Assistants** to join our Processing team!

What You'll Do

Extraction Assistants

The Extraction Assistant is responsible for operating equipment to extract cannabinoids and terpenes from cannabis biomass using approved methods (e.g. ethanol, hydrocarbon, or CO₂). This role ensures extractions are performed safely, efficiently, and in compliance with SOPs and Health Canada regulations.

Key Tasks:

- Operate extraction equipment and monitor batch parameters
- Prepare and load raw cannabis material
- Record data and maintain batch logs
- Clean and maintain equipment according to SOPs
- Follow all safety and compliance protocols

Winterization Assistants

The Winterization Technician supports the purification process by removing fats, waxes, and lipids from crude cannabis extract. This role involves working with ethanol-based solutions and cold-temperature processing equipment.

Key Tasks:

- Perform ethanol mixing, cooling, and filtration processes
- Monitor temperatures and solvent levels

- Handle lab equipment including centrifuges and filters
- Document procedures and batch results
- Ensure cleanliness and safety in all processing areas

We're Looking for Someone who:

- Enjoys physical, hands-on work
- Able to lift up to 50 lbs, and stand for extended periods of time
- Appreciates working with plants and cares about quality
- Is reliable, adaptable, and comfortable working both indoors and outdoors
- Is an active listener and kind in all situations
- Is a team player who can follow directions and takes pride in their work

Work Environment & Schedule

- Exposure to strong smells and PPE requirements
- Shift work and schedule includes weekdays and weekends.
- Seasonal fluctuations in hours, workload, and tasks

We offer an hourly rate between \$25 and \$28 based on experience.

Job type: Full-time, Seasonal/Year-Round

Work Location: In person

If this sounds like the opportunity you've been looking for, we'd love to hear from you!
